### 2012 ANNUAL REPORT

(Ramadan 11, 1435 H. = July 8, 2014 C.E.)

Dear Brothers and Sisters:

This is our annual report for fiscal year that ended on Dec. 31, 2012. We are grateful to Allah, the Exalted, that the severe financial crisis that put such a strong demands on our services and resources, even as it crimped or delayed donations has begun to abate and the Islamic-American Zakat Foundation, managed to survive the year solvent. We spent over \$150,000 on our charitable programs in the fiscal year reported here. Thanks to God's bounty, the generous donors year enabled the Zakat Foundation to help needy American families to meet various needs, especially to avoid homelessness. In addition we continued to spend moneys specifically designated for da`wa work for spreading the truth about Islam to Muslims and non-Muslims by various means, including the distribution of Qur'ans to prisoners and hospital patients.

Disbursements totaling \$59,083 were made to almost 200 different poor or needy families for fuel, shelter, clothing, debt reduction, and emergency transportation. We distributed aid totaling \$41,056 to 144 families to provide for shelter. In almost all cases these were payments of rent or mortgage to allow them to keep their current homes or security deposit payments to allow them to move into new homes. Twenty-seven recipients were given a total of \$4,166 for transportation needs. We made partial or full payment of utility bills, totaling \$8,8726 for 45 families to restore service or prevent a cutoff. We assisted many of those families in making payment arrangements for any balance on their bills. \$4,230 was distributed to almost twelve dozen poor families on the occasions of the Eid al-fitr so that they could celebrate the holiday feast in a proper fashion despite their poverty status. \$1,220 were used to pay medical expenses for five needy families. In addition, we assisted people in obtaining food, furniture, and clothing and in other ways helping them to overcome problems preventing them from sustaining themselves. In some cases the aid was direct and in other cases we referred them to other social service agencies. In addition, we have helped many families through the efforts of our Case Manager to operate our "Medina program" aimed at assisting chronically needy American Muslims to achieve self-sufficiency.

Our audited financial statements are appended to this report.

*As-salaamu `alaikum!*

Imad A. Ahmad, Ph.D.  
President

## HISTORY AND MISSION OF THE ISLAMIC-AMERICAN ZAKAT FOUNDATION

The Islamic-American Zakat Foundation was founded in 1987 to provide help to Muslims in America in fulfilling their obligations to purify their wealth by helping the poor and needy and others in special circumstances. The Muslims are a single community and we are all brothers and sisters of perfect equality before God (Allah) except as our piety distinguishes one from another.

The Islamic-American Zakat Foundation has helped hundreds of poor and needy Muslims from coast to coast in times of difficulty.

We were the first Islamic charity to be accepted into the Combined Federal Campaign.

We were the first Islamic charity affiliated with Local Independent Charities of America.

We cooperate with other Islamic organizations like the Council on American-Islamic Relations, FAITH, the Minaret of Freedom Institute, and various mosques to maximize effectiveness.

We send money abroad through other 501(c)(3) organizations for emergency disaster relief.

Our MEDINA program provides counseling and referral services to help applicants to achieve self-sufficiency. Through these efforts some of our zakat recipients have been turned into zakat donors.

Our da'wa program provides Qur'ans to prisoners and hospital patients and promotes a better understanding of Islam.

And we do it without one cent of government money--ANY GOVERNMENT. We are completely independent so we can work with the entire Muslim community.

We do it with donations from people like you. Small donations and large donations. From Muslims who care about Muslims. From Muslims who seek to please Allah. We are told by contributors who give through their workplace campaigns that some of their non-Muslim coworkers donate to us through their workplace campaigns in order to entrust their charitable donations to a reliable institution.

The Zakat Foundation helps to assess and distribute zakat and sadaqa. We document the worthiness of recipients and distribute donations directly to the poor and needy or use the money towards paying their debts for fuel and housing, etc. Funds received in the past year have gone to feed the poor and homeless in the mid-Atlantic region, and elsewhere in America, to help to feed and clothe Palestinian children, to help orphans, to prevent unemployed families from losing their homes, and to relieve the difficulties of stranded travelers. We work cooperatively with mosques and with other agencies helping the poor and needy.

**NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**

**Note -1 Nature of Activities**

The Islamic-American Zakat Foundation (the “Foundation”) is an exempt organization under the Internal Revenue Code Section 501(c) (3). The Foundation was established on November 12, 1986 with a mission to provide food, shelter, clothing, and transportation assistance for the poor and needy, orphans, wayfarers, and other persons needing and deserving of charity under Islamic law. The Foundation collects and distributes obligatory and voluntary charity called zakat and sadaqa, donated by mostly Muslims throughout the country. The Foundation’s primary objective is to serve poor and needy Muslims in the United States, eligible non-Muslims around the country are also helped, while some aid might be sent abroad to help poor and/or needy orphans and other children.

**Note – 2 Summary of Significant Accounting Policies**

**1) Basis of Accounting**

The accompanying financial statements are prepared using the accrual basis of accounting. Management has elected not to record accounts payable balances for services and fees rendered by other organizations until the bill has been received by the Foundation. Although GAAP requires expenses to be recorded as incurred, the Foundation has determined that variance between amounts incurred versus invoiced is not material to warrant an adjustment.

**2) Financial Statement Presentation**

The Foundation follows Statement of Financial Accounting Standards No.117 (SFAS 117, Financial Statement of Not-for-Profit Organizations. SFAS 117 provides standards for the external financial reporting for not for profit organizations. SFAS requires that resources be classified for accounting reporting purposes into three net asset categories according to the existence or absence of externally (donor) imposed restrictions. The net assets classes are unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As of December 31, 2012 the Foundation’s net assets were classified as permanently restricted, temporarily restricted and unrestricted.

**3) Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principals requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may vary.

**4) Cash**

For purposes of the statement of cash flows, the Foundation considers actual cash held in the petty cash account and actual checking account balances as cash. The Foundation does not maintain a separate checking account to designate and apportion funds provided by other indirect organization support. With regard to other indirect support, the Foundation does not maintain any general ledger accounts to track the expenditures related to the pledges from the indirect support

organizations such as Local Independent Charities, Maryland Charity Campaign, and American Charities etc.

#### **5) Investments**

The Foundation has acquired 193.01 shares of Amana Growth Fund, with Saturna Capital. The Foundation participates in a “DRIP” dividend reinvestment program. The Foundation values these mutual funds at fair value, based on readily determinable market values. As such, the Foundation recognized capital distribution of unrealized capital loss of (\$985) for the audit period ending December 31, 2012.

#### **6) Pledges Receivable**

The Foundation maintains a Pledges Receivable accounts from various indirect support organizations. The numbers provided below are based on figures provided by these organizations, which collect pledges based on direct and undesignated funds predetermined by various employees and retirees who participate in various campaigns. The contributions receivable balances are periodically adjusted based on the amount of pledges received and indirect support organization’s periodic write-offs, calculated by these organizations. Uncollectible pledges for the audit period were \$7,881. Verification of these balances and assumptions behind them were not within the scope of the audit and thus the auditor does not express an opinion on these balances.

#### **7) Property and Equipment**

IAZF rents an office space at 4641 Montgomery Ave Ste 30, Bethesda The lease period is one year, from May 1<sup>st</sup> , 2012 – April 30<sup>th</sup> 2013, with options to extend. The Equipment and furniture needed to furnish the office space has been obtained through purchases by the Foundation, donated for Foundation use, or contributions by the Foundation’s donors, which will then be considered property and equipment belonging to the Foundation. Some of furniture donated for Foundation use belongs to the donors and is not included in Foundation’s financial statements. Total amount spent on fixed asset purchases for FY 2012 fiscal year was \$345.

#### **8) Loans**

The Foundation, has in the past occasionally, extended loans, instead of grants, to needy individuals and organizations. However, the current policy, in effect for the audit period was to extend no loans. Notes Receivable balance as of December 31, 2012 was \$ 0.00.

#### **9) Revenue Recognition**

The Foundation recognizes contributions from direct public support or individuals when funds are actually received since contributors are under no obligation to continue their support. These contributions are made by donors for Zakat-al-mal; Zakat-al-fitr (sadaqat-al-fitr, fitr), and sadaqa. It is the understanding of the donor and the Foundation that the amounts designated by the donors are neither conditional nor restricted funds but unrestricted.

Zakat-al-mal or Zakat must be paid by all Muslims whose net worth for the preceding year has remained above the exemption called nisab. Nisab has been estimated at \$4,000. Zakat may be paid anytime within the Islamic year.

Zakat-al-fitr (sadaqat-al-fitr) is a flat amount per household member paid by the head of the household for himself and his dependents. It has been estimated at approximately \$10.00 per person.

Sadaqa is a voluntary charity which may be made at any time. It can be of any amount “beyond your need”. It can also be a non-monetary contribution.

The Foundation, however, does recognize pledges receivable and accompanying revenues when the obligations by indirect public sources are incurred. These indirect public organizations collect pledges based on direct and undesignated funds predetermined by various employees and retirees who participate in these campaigns. These intermediary agencies, such as the Local Independent Charities and Maryland Charity Campaign, provide the revenue figure for that period and accordingly provided contribution receivable balances.

### 10) Occupancy Expense

As of May 1<sup>st</sup>, 2011, the office lease, originally signed by Minaret of Freedom, has been assigned to the Foundation, with a monthly lease payment of \$725. Total occupancy expenses for the period covered by this report were \$9,326, including office rent of \$725/month for January to April 2012 and \$747/month for May 2012 to December 2012.

### 11) Subsequent Events

The organization has evaluated its December 31, 2012 financial statements for subsequent events through August 10, 2013 the date the financial statements were available to be issued. The organization is not aware of any subsequent events which would require additional recognition or disclosure in the financial statements.

### Note – 3 Related Parties/Self Dealing Transactions

The Foundation has entered into a contract for program and general administrative services obligating the Foundation to pay certain fees and compensation for services rendered by Imad-ad-Dean, Inc. (IAD), a 100% owned company of Imad A. Ahmad, the current President and Board Member of the Foundation. For the most part, the contract obligates the Foundation in the following manner:

The contract with IAD was modified on June 15, 2012 as follows:

The Foundation shall pay a flat base fee of \$8,436.67 per month, which shall be allocated as follows:

Service Description	Program Cost	General Overhead
Computer Services	\$30	\$30
Accounting/Bookkeeping	\$0	\$595
Program Administration	\$188	\$187
Program Operation	\$960	\$0
Clerical	\$400	\$100
Madina Program	\$4,280	\$0
Total	\$5,858	\$ 912

Total payment to IAD, including the charges above and various reimbursement expenses for the period ending December 31, 2012 were \$96,885.

Furthermore, Imad A. Ahmad is the President and Board member of two additional not-for-profit organizations Minaret of Freedom Institute, (the “Institute”) and Syed Mohamed and Sharifah Zaitum Albukhary Waqf, Inc (the “Endowment”). The Institute is an Islamic policy research institute, a 501(c) (3) organization that received contributions of \$42,160 during the same audit

period of 2012. Dr. Ahmad's company IAD also has a contractual arrangement with the Institute to provide services based on similar terms nearly identical to the Foundation. IAD received payments of \$ 16,519.76 from the Institute relating to accounting, program services, and various general administrative fees for the same audit period.

The Endowment, where Dr. Ahmad is the President and Board member, is a 501(c) (3) organization that retains an endowment of approximately \$77,096.61, the principal of which is permanently restricted. The profits and dividends generated by the Endowment are to be utilized exclusively for the benefit of the Foundation and the Institute. Dr. Ahmad's company, IAD, also has a contractual arrangement similar to that of the Foundation, to provide similar services for the management of the endowment. IAD received \$454 from the Endowment relating to accounting, program services, and various general administrative fees for the same audit period. For the audit period ending December 31, 2012, the Endowment had no income or loss.

For the audit period ending December 31, 2012, the Foundation did not receive a distribution from the Endowment. Endowment bylaws require a portion of any gains/losses during the year to be divided between the Institute and the Foundation.

The Institute and the Endowment operate from the same office space, utilizing the same resources used by the Foundation.

Asem Elgawhary, Omar Atia, and Yusuf Saleem serve as board members of the Foundation as well as the Endowment.

**Note – 4 Income Taxes**

The Foundation is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code, except to the extent of any unrelated business income. Foundation has no unrelated business income for the audit period.

**Note – 5 Permanently and Temporarily Restricted Asset Detail**
